Dear Celal Cakiroglu:

On behalf of the Structural Engineering Institute of the American Society of Civil Engineers, we would like to invite you to Structures Congress 2014.

You are invited to present your paper "Numerical Analysis of Pressurized Cold Bend Pipes under Bending to Investigate the Transition from Compression to Tension Side Failures" (Paper ID# 524) at the Congress.

Please join us in Boston, Massachusetts, April 3-5, 2014, at the Sheraton Boston Hotel and Hynes Convention Center. Please review the Congress website for details at <http://content.asce.org/conferences/structures2014/index.html>.

This invitation does not include a waiver of registration fees or any financial reimbursement for costs of attendance.

We look forward to seeing you in Boston!

Sincerely,

A handwritten signature in black ink, appearing to read "M. Brown", is positioned above the printed name of the sender.
